History

#1 - 09/20/2009 03:25 PM - vincent.mbg

- Assignee set to vincent.mbg
- Priority changed from Normal to Haut
- Estimated time set to 1.00 h

Selon les plateformes, l'encodage des fichiers n'est pas le même. Un simple lancement du script remise_a_zero.py permet de résoudre ce problème.

#2 - 09/20/2009 04:30 PM - vincent.mbg

- Status changed from Nouveau to Résolu
- % Done changed from 0 to 100

Il faudra livrer les sources avec le fichier old.pkl vide.
Le programme lors de son premier lancement éditera le fichier.

#3 - 01/30/2010 10:31 PM - vincent.mbg

- Project changed from MBG SQLite to Ohraimeur
